

## **NATIONAL CONSORTIUM ON RACIAL AND ETHNIC FAIRNESS IN THE COURTS 2019 EQUITY AWARD**

The National Consortium on Racial and Ethnic Fairness in the Courts (the National Consortium) is committed to promoting a court system that is fair to all and free of racial and ethnic bias. In furtherance of that goal, the Consortium established the Equity Award in 2017 to recognize and encourage individuals within the court system who work consistently to advance equal access and fair treatment for all regardless of race, ethnicity, gender or economic status. The newly created Equity Award is meant to recognize either a distinguished lifetime of contributions or a singular, exceptional contribution to the goal of advancing and preserving a court system that is free of racial and ethnic bias and fair to all participants.
